Dear friend

156

It was with much pleasure that I received the information from my friend Rev. E. P. Powell Pastor of the Congregational Church of this city, that he was about extending to you an invitation to deliver one of a course of lectures contemplated to be given in his Church during the coming winter. I feel rejoiced at this both on account of the exhibition of an appreciation of your earnest devotion to the cause of freedom for the ^{poor} truly or

more years, as well as the
opportunity, it will afford
some of your old friends
once more to greet you
provided you decide to
accept the invitation.
Did I think any word of
mine would have a favora-
ble influence in prompting
you to come that word
would be spoken strongly
and decidedly. Be assured
that your old friends will
gladly meet you and many
former opponents hear you
with interest and a desire
to do you justice.

Should you conclude
to accept the proposition
Mr Edwin Comstock wishes
me to ask you to make
his house your home

During your stay in
Adrian He has been for
years a subscriber to the
"Liberator" and I think
you would find your
sojourn a pleasant one
under his roof. If time
allow and inclination
prompt my family and
self would be very much
gratified with a visit
from you at our country
home

I remain very truly
your friend

Dear Sir
I have the honor to acknowledge the receipt of your letter of the 11th inst. in relation to the matter of the
estate of the late John Smith deceased. I am sorry to hear of the death of your friend and neighbor.
I have been unable to find the will of the deceased, but I will endeavor to do so as soon as possible.
I am, Sir, very respectfully,
Your obedient servant,
John Doe
